

Application for the 2-Year, 2019-2021, IB International Baccalaureate Diploma Programme

Spjelkavik videregående skole is an authorised IB World School. These are schools that share a common philosophy—a commitment to challenging, international education of the highest quality.

**Only schools authorized by the IB Organization can offer any of its three academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), or the Diploma Programme (and in addition the IB Career-related Certificate).*

Choice of subjects Vg2 IB for the School Year 2019-2021

Inserted below is the subject form which displays the available subjects for IB students at Spjelkavik videregående skole 2019-2021. Select six subjects. Pick maximum one in each block. Pick one subject from block 1 and one subject from block 2. Pick one math subject. Pick at least one natural science subject (Biology, Chemistry or Physics). The core subjects TOK, CAS and EE are taught in addition to the chosen subjects. The final choice of subjects are to be offered depend on factors such as the choices of the students and teacher resources.

Some universities and studies practice special admission requirements. It is your responsibility to check if such requirements exist. This corresponds to the General regulations: Diploma Programme (2016). Candidates and legal guardians bear the sole responsibility for verifying the entry requirements of the universities and other institutions of higher/further education to which they are interested in applying.

Subject groups	Block 1	Block 2	Block 3	Block 4	Block 5	Block 6
Group 1	Norwegian A <input type="checkbox"/>	English A <input type="checkbox"/>				
Group 2	Norwegian B <input type="checkbox"/>					
Group 3			Psychology <input type="checkbox"/>		History <input type="checkbox"/>	
Group 4				Biology <input type="checkbox"/> Physics <input type="checkbox"/>	Chemistry <input type="checkbox"/>	
Group 5						Mathematics <input type="checkbox"/>

- You will have to take 3 subjects at Higher Level and 3 subjects at Standard Level. You choose this at a later stage in the admission process.
- The school is entitled to not offer a specific subject if there are few students signed up for it.

There might be a possibility for the students to go on an excursion abroad for one week during the first year of the Diploma Programme. The fee for this trip will be approximately 6000 NOK. Would you like to participate on this trip?
